Our Certificate and Diploma in TESOL (Teaching English to Speakers of Other Languages) equip Students with the practical and theoretical skills to teach English to speakers of other languages. "Completing a TESOL Certificate IV has always been something I wanted to do. I looked into online courses while I lived in London, but with more research I discovered a lot of employers look for the classroom certification. I thought the Brisbane College of Australia offered a good program, the timetable suited my work schedule and Carmelina ended up being an excellent teacher of teaching!"

HARVEY HAYES

"TAking on an English teaching course was a daunting prospect for a semi-retired professional aged in his 60s. . . Not for one minute during the course did I regret the decision though grappling with tenses – present simple, past perfect, future continuous and the rest – was itself a challenge after so many years of using language without having to recall how or why it works."

KERRY WHITE

"I especially like that we get the possibility to teach actual students. I had never taught before and I really enjoy it. I acquired a taste for it and can imagine taking further steps in this direction."
